You have the option to choose a Consumer Choice health care plan that, either in whole or in part, does not provide state-mandated health benefits normally required in evidences of coverage in Texas. This standard health benefit plan may provide a more affordable health plan for you although, at the same time, it may provide you with fewer health plan benefits than those normally included as state-mandated health benefits in Texas. If you choose this standard health benefit plan, please consult with your insurance agent to discover which state-mandated health benefits are excluded in this evidence of coverage.

If you are applying for coverage during a Special Enrollment Period or "SEP" (an opportunity to enroll outside of Open Enrollment), you may request coverage if you have experienced one or more of the qualifying life events listed below during the last 60 days (check all that apply). You must provide acceptable proof of a qualifying event with this application. BCBSTX will review this proof to verify your eligibility for a SEP. Failure to provide acceptable proof of a qualifying event with this application will delay or prevent the processing of your application and enrollment in coverage. Please call 800-531-4456 for examples of acceptable proof of these qualifying events.

☐ Blue Advantage Security HMO℠ 100	$7,150

ATTENTION FEMALE MEMBERS: In selecting your PCP, remember that your PCP's network may affect your choice of OB/GYN. You have the right to receive services from an OB/GYN without first obtaining a referral from your PCP. However, if your PCP is part of a limited provider network (LPN), the OB/GYN from who you receive services must belong to the same LPN as your PCP. This is another reason to make certain that your PCP's network includes the specialists – particularly the OB/GYN – and hospitals that you prefer. You are not required to designate an OB/GYN. You may elect to receive OB/GYN services from your PCP.

Section C: Dental Coverage

The Affordable Care Act ("ACA") requires us to be reasonably assured that you and each member on this policy have or are seeking coverage for pediatric dental services that are essential health benefits. The Affordable Care Act requires these benefits even if there is no one on the policy who is eligible for these services.

Carriers can offer this required pediatric dental coverage to you through benefit plans called "Marketplace-certified stand-alone dental plans." These plans are also known as Dental Qualified Health Plans or Dental QHPs.

There are three ways to meet this requirement.

1. You can enroll in **BlueCare Dental℠**, our Full Dental QHP, which contains coverage for adults and pediatric dental essential health benefits; or
2. You can enroll in **BlueCare Dental 4 Kids℠**, our Limited Dental QHP, which only contains pediatric dental essential health benefits; or
3. You can confirm that you have obtained or are seeking coverage for pediatric dental essential health benefits somewhere else.

Please review your options below and select **one**:

If you do not select an option then you and each member on the policy will be enrolled in BlueCare Dental 4 Kids 1B, our Limited Dental QHP, in order to meet ACA's requirement that we provide you coverage with pediatric dental services that are essential health benefits.

ACKNOWLEDGMENTS

The Applicant, to the best of his/her knowledge and belief, represents and agrees as follows:

1. This application is the first step in applying for Medical Expense Coverage. You do not have Medical Expense Coverage until the effective date of the policy and the first month's premium is paid.
2. If you use an agent or broker, they cannot accept risks or modify policies or requirements of BCBSTX.
3. If a spouse and/or dependent(s) is/are included for medical expense coverage, the premium will be calculated based on the age of each individual covered, subject to applicable law and regulations.
4. I understand that if any person makes a fraudulent misstatement of a material fact on the application, the fraudulent misstatement may be used to void the policy. Rescission (voiding the policy) is defined as a cancellation or discontinuance of coverage that has a retroactive effect. I will be provided with at least 30 days advance written notice before my or my dependent's coverage may be rescinded, retroactive to the effective date of coverage.
5. If an Agent, Producer or Broker was working with me to purchase an Individual Policy, then BCBSTX may pay the broker a commission and/or other compensation. I understand that if I want additional information about any commissions or other compensation paid the agent or broker I should contact the agent or broker.

Agreement: I understand that any statements and answers on this application are representations. To the best of my knowledge and belief they are true and complete. These representations are the basis of my application. I understand that coverage will be effective following payment in full of the first month's premium. The undersigned Applicant and broker acknowledge that the Applicant has read the completed application which will become a part of the contract between BCBSTX and the applicant.

Authorization: I authorize any medical professional, hospital, clinic or other medical or medically related facility, governmental agency, pharmacy benefit manager, retail pharmacy, pharmacy clearinghouse or other person or firm, to disclose to BCBSTX or their authorized representative, information, including copies of records, concerning advice, care or treatment provided to me and/or my dependents, including and without limitation, information relating to the prescription and use of drugs or alcohol. I also authorize the release of information relating to mental illness. In addition, I authorize BCBSTX to review and research its own records for information.

I understand that BCBSTX will only disclose collected information as needed to medical entities related to my care.

I understand information obtained with my authorization may be re-disclosed by BCBSTX as permitted or required by law. If such a disclosure is required, the person or agency receiving the information will become responsible for its protection.

This Authorization is valid for two years from today, or until I terminate coverage. I understand that I have the right to revoke the Authorization at any time, in writing, by contacting BCBSTX. I further understand that I or any authorized representative will receive a copy of this authorization upon request. Any revocation will not affect the activities of BCBSTX prior to the date such revocation is received by BCBSTX.

Signatures: I acknowledge receipt of the required Outline of Coverage and I agree that Individual Insurance is intended to be paid as my personal expense and that this policy is offered on my representation that only I, a family member, or permissible third party as outlined below will pay BCBSTX directly. I understand that BCBSTX does not accept payments of premium or cost-sharing payments directly from third parties except from those identified in Section D (family members, Required Entities, certain private non-profit foundations). I understand that a violation of this policy may result in premium and cost-sharing payments paid by a third party not being credited to my account or coverage or being refunded to me, which may result in the cancellation of my coverage.

Special Enrollment Period Attestation and Acknowledgement. I understand that if I am applying for coverage outside of Open Enrollment, I must qualify for a Special Enrollment Period ("SEP"). I understand that in order to qualify for a SEP I must have experienced one of the qualifying events identified on page 1 of the application during the last 60 days, and I must provide acceptable proof of any qualifying event(s) with this application in order for BCBSTX to verify my eligibility.

I represent that the proof I am providing is valid and I understand that failure to provide proof of a qualifying event will delay or prevent the processing of my application and enrollment in coverage.

In addition I acknowledge that this coverage is intended to be individual coverage and nothing in this document creates a group health plan as defined under state and federal laws.

Warning: Any person who knowingly, and with intent to injure, defraud or deceive any insurer, makes any claim for the proceeds of an insurance policy containing any false, incomplete or misleading information is guilty of a felony.

At any time when BCBSTX is entitled to rescind coverage already in force, or is otherwise permitted to make retroactive changes to this Policy, BCBSTX may at its option make an offer to reform the policy already in force and/or change the rating category/level. In the event of reformation, the Policy will be reissued retroactive in the form it would have been issued had the misstated or omitted information been known at the time of application.

I understand that written communications that are required by law may be delivered to me electronically, with my consent. I understand that if I consent to receiving my documents electronically, that I have a right to obtain a paper copy and to withdraw my consent.

TEXAS DEPARTMENT OF INSURANCE REQUIRED DISCLOSURE NOTICE FOR ALL INDIVIDUAL HMO CONSUMER CHOICE BENEFIT PLANS ISSUED IN TEXAS

As required by 28 TAC §21.3530, I have been informed that the Consumer Choice Health Benefit Plan that I am purchasing does not include all state mandated health insurance benefits. I understand that the following benefits are provided at a reduced level from what is mandated, or excluded completely from the plan.

MANDATED BENEFIT DESCRIPTION	BENEFIT REDUCED	BENEFIT EXCLUDED
COPAYMENTS Section 11.506(2)(A), Subchapter F, Title 28 Texas Insurance Code: A reasonable copayment option may not exceed 50 percent of the total cost of services provided. A basic service HMO may not impose copayment charges on any enrollee in any calendar year, when the copayments made by the enrolled in that calendar year total two hundred percent of the total annual premium cost which is required to be paid by or on behalf of that enrollee.	For some services and supplies, this plan may include cost-sharing that exceeds the limits imposed by the mandated.	
DEDUCTIBLES Section 11.506(2)(B), Subchapter F, Title 28 Texas Insurance Code: A deductible shall be for specific dollar amount of the cost of the basic, limited or single health care service. An HMO shall change a deductible only for services performed out of the HMO's service area or for services performed by a physician or provider who is not in the HMO's delivery network.
